A
STORY
TO TELL

Μια ιστορία που αξίζει να ειπωθεί

H Colorificio San Marco, μητρική εταιρεία του ομίλου San Marco, είναι ηγέτιδα στην παραγωγή και προώθηση χρωμάτων και βερνικιών για τον κατασκευαστικό κλάδο της Ιταλίας.

Ιδρύεται το 1962 στην Βενετία από τον Pietro Tamburini, σήμερα διευθύνεται από την τέταρτη γενιά της οικογένειας Geremia, μεγαλώνοντας και εδραιώνοντας την εταιρία ως σημείο αναφοράς διεθνώς στον κλάδο της.

H εταιρική αποστολή εστιάζει στις αξίες της καινοτομίας, της ειλικρίνειας, της διαφάνειας, καθώς επίσης στην κοινωνική και περιβαλλοντική ευθύνη. Επιπρόσθετα, μεγάλη έμφαση δίνεται στην ατομική καθώς και εργασιακή ασφάλεια.

Με αυτές τις αρχές ως ακρογωνιαίο λίθο, η Colorificio San Marco φιλοδοξεί να μεταδώσει μια αντιπροσωπευτική κουλτούρα όσον αφορά τη δόμηση και ανακαίνιση στην Ευρώπη και να προωθήσει το κύρος του ονόματος των Ιταλικών προϊόντων στον κόσμο.

Οι ισχυροί δεσμοί με τη Βενετία, την αιώνια πόλη, αντικατοπτρίζονται στο σύγχρονο στυλ και την διακόσμηση που πηγάζει έμπνευση από εκεί.

Οι μεγάλοι καλλιτέχνες της Βενετίας ανέκαθεν προσπαθούσαν να μεταφέρουν στα έργα τους τα χρώματα και την ατμόσφαιρα της πόλης: το κεχριμπαρένιο χρώμα της αυγής, τις ασημένιες αντανακλάσεις της νύχτας στη λιμνοθάλασσα, την παχιά ομίχλη του Νοέμβρη και τις σκιάσεις του αδρού μαρμάρου.

Από την πλυμμουρισμένη πολιτεία, η Colorificio San Marco εμπνεύστηκε, μελέτησε και δημιούργησε προϊόντα ικανά να αναπαράγουν την εκλεπτυσμένη πολυπλοκότητα ενός μοναδικού περιβάλλοντος.

Το βιβλίο αναφοράς περιέχει έργα απ' όλο τον κόσμο και θα μεταφέρει τον αναγνώστη σε μια μοναδική συναισθηματική εμπειρία που δίνουν τα προϊόντα της Colorificio San Marco.

A story to tell

Colorificio San Marco SpA, parent company of San Marco Group, is a leading company in the production and marketing of paints and varnishes for the building sector in Italy.

Established on 1962 in Venice by Pietro Tamburini, today the 4th Geremia's generation joins the company, it grows and becomes internationally renowned benchmark sector company.

Corporate Mission focuses on the values of innovation, honesty, transparency, social and environmental responsibility. In addition, it places a strong emphasis on the individual and job security. With these principles as cornerstones, Colorificio San Marco aspires to the goals of promoting a balanced culture of building and renovation in Europe and promoting the name of Italian goods worldwide.

The strong link to Venice, the eternal city, is reflected in the new life in Style and Decoration.

Artists from Venice have always tried to capture her colours and atmosphere: the amber light of the morning, the silvery reflections of the nights in the lagoon, the dense compact fogs of November and its rough marble shades. From the city of the floodwaters, Colorificio San Marco took inspiration to study lines of products able to replicate the refined complexity of a unique environment.

The Reference Book is a worldwide work collection which will guide the reader through an emotional and unique experience on products of Colorificio San Marco.

Από εδώ προέρχεται η αστείρευτη έμπνευση για διακόσμηση.

Here comes the endless inspiration to decoration.

A photograph of a modern lounge interior. The scene is dominated by a dark, rich wood ceiling with a curved, draped appearance. To the left, a red table is partially visible. In the center, a blue chair with a curved backrest is positioned. The background features a wall with a rough, stone-like texture. The overall atmosphere is sophisticated and contemporary.
